OFFICE & INSTITUTIONAL FURNITURE

OUR MANUFACTURING PARTNERS

INTERNATIONAL & CANADIAN MANUFACTURING NETWORK

TruNorth Learning Solutions Inc. works with a vetted network of international and Canadian manufacturing partners to supply durable furniture solutions for educational, commercial, healthcare, hospitality, and public-space environments across Canada.

International Capacity

Established production resources support large-scale projects, consistent quality, and dependable supply for institutional furniture programs.

Canadian Expertise

Canadian project support helps align specifications, finishes, delivery planning, and service expectations with local market needs.

Project Reliability

Products are selected for practical performance, clean design, long-term value, and suitability for high-traffic spaces.

Our team supports specification, procurement, delivery coordination, and service for projects of varied sizes.

SECTION 01

Student Seating

Stacking chairs, shell stools and task seating engineered for the daily realities of the classroom - and certified for healthy indoor air.

Horizon Stacking Student Chair

Series 01-1111

None stronger - the classroom chair built to outlast its warranty.

The Horizon stacking chair pairs a nearly indestructible polypropylene shell with 16-gauge steel legs - 33% thicker than most competitive student chairs. The shell flexes with the student and is contoured to promote correct posture, while splayed legs discourage teetering. Offered in five seat heights, it outfits every grade from kindergarten to graduation with one consistent, easy-to-specify program.

FEATURES

- One-piece polypropylene shell, 33% thicker than most competitive chairs
- 16-gauge steel legs with 14-gauge cross bracing
- Splayed legs discourage teetering
- Stacks for fast cleaning and compact storage
- Optional felt-tipped glides reduce noise and protect floors

SPECIFICATIONS

MATERIAL	Polypropylene shell; 16-gauge steel legs
WARRANTY	10-year warranty
OPTIONS	Under-seat book rack - ganging device - casters - chair dolly (holds 10-12 chairs) - felt-tipped glides

Student Desks & Chair Desks

From open-front classics to interlocking collaborative tops and sit-stand desks - durable work surfaces for every age and teaching style.

Champion Desk

Series 23 - with T1/T2 Shaped Tops

The senior-classroom desk that reinvented collaboration.

Ideal for senior classrooms where under-desk storage is not required, the Champion desk delivers a clean profile on angled, tip-resistant legs. Fitted with the trapezoidal T1 or T2 shaped top, rows of desks interlock into circles, semi-circles and pods in seconds - eight T2 desks form a complete collaborative ring - then return to exam rows just as fast.

FEATURES

- Interlocking T1/T2 shaped tops enable circles, semi-circles and pods
- Angled 1¼" 16-gauge steel legs prevent tipping
- 5/8" MDF core top with high pressure laminate face
- Tamper-proof bull-nosed edges
- Optional plywood-core top for humid environments

SECTION 03

Collaborative Tables

Shape-shifting table systems that cluster, nest and reconfigure in seconds to keep pace with modern, activity-based learning.

Horizon 11 Series Collaborative Tables

Series 11

Built to last - engineered to reconfigure.

Horizon 11 Series tables are all built the same way: ruggedly. Frames are 3" J-section 18/16-gauge steel; legs are 1½" square 16-gauge, each attached by a single vibration-proof bolt to a matching 3/16" plate-steel corner bracket. Choose from rounds, half-rounds, trapezoids, octagons, kidneys, flowers, clovers and more - in five fixed heights or adjustable - to compose classrooms that regroup on demand.

FEATURES

- 3" J-section steel frames, 18/16-gauge by size
- 1½" square 16-gauge legs on 3/16" plate-steel corner brackets
- Single vibration-proof bolt leg attachment
- Shapes: round, half-round, trapezoid, octagon, kidney, flower, clover, pie, C-shape and more

Size & Colour Guides

RECOMMENDED TABLE & CHAIR HEIGHTS

AGE	GRADES	TABLE H.	CHAIR H.
4 - 5	Pre-School	22"	12"
5 - 7	Kindergarten - Gr 1	24"	14"
7 - 8	Grade 2	26"	15"
8 - 11	Grades 3 - 4	28"	16"
11 +	Grade 5 and up	30"	18"

Heights are a general guide; mixed-age rooms are well served by adjustable-height tables and chairs from the Horizon and Freedom programs. TruNorth provides room-by-room sizing plans on request.

Warranty, Certification & Ordering

WARRANTY

Products in this catalogue are backed by a manufacturer's limited lifetime warranty, with the following exceptions: Ventura chairs carry a 2-year warranty; metal library shelving carries a 10-year warranty; cafeteria tables carry a 5-year warranty on gas shocks with limited lifetime coverage on tops, seats and frames. Individual seating lines note their specific warranty terms on each product page. Chair warranties are based on normal usage of 8 hours per day by persons weighing 250 lbs or less; coverage excludes damage from accident, abuse, negligence, normal wear and tear, or extreme climatic conditions.

CERTIFICATION

Many products in this catalogue are GREENGUARD certified, providing assurance that they meet strict chemical-emission limits for healthy indoor environments, and are manufactured to ANSI/BIFMA performance standards. Certification badges appear on each product page where they apply. Certificates are available on request.

ORDERING & DELIVERY

Furniture is made to order at our partner facilities, with typical delivery of 6 to 8 weeks from receipt of complete order information, including colour selections. Peak seasons - summer back-to-school production and February-March budget close - can extend lead times, so we recommend planning orders early. Standard delivery is to tailgate; inside delivery and installation services are available through TruNorth on request. Replacement parts are available to keep your furniture in service for the long term.
